

# Complete Home Package

TC Matthews

Now's the time to transform your home with one of our Complete Home Packages. Whether you're moving into a newly built home or giving your current home a complete refresh, our trusted team is here to help you create the home that's right for you.

Our carefully curated packages simplify the process as well as saving you time and money. We take care of everything, from design and installation for a seamless experience and beautifully finished floors.

Take a look at the packages on offer now, then visit [tcmatthews.ie](https://tcmatthews.ie) to order your free carpet samples. Or simply call into any one of our 7 stores for a free consultation with one of our experts.

Prices include design consultation, premium underlay, fitting, skirting removal and refitting, plus caulking. Upgrades are available where indicated. Prices are based on a standard new build home. A small supplement applies for existing flooring removal, please ask in-store for details.
